The Bonner Foundation: A Founding Vision — *Students*

Idealism is the nature of students

***You can't have a student movement
without student leadership.***

**Five strokes of love for
every stroke of challenge.**

The Bonner Foundation: A Founding Vision — *Campus*

Everybody everyday.

***All service well done
has learning as a central part of it.***

***A culture of service,
an infrastructure to support that culture,
and a Bonner Program integrated into
that infrastructure.***

The Bonner Foundation: A Founding Vision — *Community*

Change the Count.

***Complementary needs....
mutually beneficial strengths.***

One pair of hands can't tear a prison down, two pairs of hands can't tear a prison down, but when two and two and fifty make a million, we'll see that day come 'round.

The Bonner Foundation: *A Founding Vision — Higher Education*

“Where there is no vision, the people will perish.”

“Vision is fine, but it must grow corn.”

“We need to raise less corn and more hell.”

***The difference between the Bonner Scholars Program
and the Bonner Leaders Program is a matter
of how the programs are funded.***

***They share a common vision and common
commitments.***

50,000 service based scholarships by 2010.
