

# Bonner Program Handout

## Founding Vision

### Students

Idealism is the nature of students

You can't have a student movement without student leadership.

Five strokes of love for every stroke of challenge.

### Campus

Everybody everyday.

All service well done has learning as a central part of it.

A culture of service, an infrastructure to support that culture and a Bonner Program integrated into that infrastructure.

### Community

Change the Count.

Complementary needs....mutually beneficial strengths.

One pair of hands can't tear a prison down, two pairs of hands can't tear a prison down, but when two and two and fifty make a million, we'll see that day come 'round.

### Higher Education

"Where there is no vision, the people will perish."

"Vision is fine, but it must grow corn."

"We need to raise less corn and more hell."

The difference between the Bonner Scholars Program and the Bonner Leaders Program is a matter of how the programs are funded. They share a common vision and common commitments.

50,000 service based scholarships by 2010.
