MLK Jr Day 2010

New Jersey AmeriCorps Bonner Leader Program

•If Martin Luther King Jr were alive today, what cause(s) would he be involved in?

•Can you think of a person today who shares the courage that MLK Jr had? Who is this person and how has he or she affected or inspired you?

•What do we mean when we say that MLK Jr Day is a "day on" and not a "day off?"

- •Why was the civil rights movement powerful? What elements of the movement made it successful?
- •What are some current causes that you care about, what are some action steps that need to be undertaken to create positive momentum around them?
