

THE CORELLA & BERTRAM F. BONNER FOUNDATION

BONNER SCHOLARS PROGRAM

Application for Rising Senior Bonner Scholars Fund Support

Background

Rising seniors in the Bonner Scholars Program are eligible for an additional \$500 living allowance if they plan on participating in (a) a summer service internship in the summer immediately prior to their senior year, (b) a service-related conference, training, or trip during their senior year.

Process

Students interested in receiving this award must complete an application to the Bonner Foundation. After its submission to and review by the Bonner Scholars Program Director, the application will be sent to the Bonner Foundation for final approval. The due date for the application to be returned to the Bonner Scholar Program Director or Coordinator is _____ [date to be set by each campus].

Award Criteria

To receive this additional living allowance, students must demonstrate the following in the application:

- Strong performance to date as a Bonner Scholar;
- Completed participation in previous summer service through the Bonner Scholars Program;
- Clear description of the proposed service placement, trip or training/conference;

BONNER SCHOLARS PROGRAM

Application for Rising Senior Bonner Scholars Fund Support

Please provide brief answers to the following questions. After attaching your answers to this form, please sign it and submit it to your director. The due date for returning this application to your Bonner Scholar Program Director or Coordinator is ____ [date to be set by each campus].

1. Briefly describe the previous Bonner summer service placements that you have had and comment on their impact on your personal development.
2. Describe the service-related placement, trip, or training for which you are proposing to receive additional financial support. For what purpose(s) will the money you are requesting be used?
3. Describe how this activity is connected with your personal, academic, and/or career development. If returning to an organization with which you have been previously affiliated, explain how your role and/or responsibilities will increase.
4. Explain how you plan to share this experience with other students, the school, and the local community when you return to school following this summer service.
