[REDACTED]

You have **CLEARED** this check.

This means that a fingerprint-based search of the FBI's national criminal history database did not identify any information to indicate that the individual has been convicted of murder, crimes related to sex offenses, or crimes of neglect, cruelty, or endangerment. This result is available for viewing by the organization through which you are working or serving. Other criminal history screening components may be required before you are able to begin work or service.

Result Date: 3/25/2016

Screening Performed: Fingerprint-based FBI Background Check
